St. Pete Beach City Commission Agenda Report

Issue Considered: Fee Schedule Review

Date: February 2, 2016

Prepared By: Wayne Saunders, City Manager *WS*

Summary of Issue: We have reviewed adopted fees charged by the City and are proposing several changes. The City adopted, and from time to time amended, Appendix A of the Code of Ordinances which should be an all-inclusive list of fees charged by the City. Unfortunately, we discovered that at times other fees were adopted by ordinance that were not included in the Appendix and in some instances not codified. The purpose of the workshop is to review and consider the changes in fees being suggested by our staff and entertain other adjustments that the Commission believes may be appropriate. Once that task is completed, we will put together a unified schedule for adoption.

Enclosed is Appendix A with strike-through and underline for proposed changes of those fees included in the Appendix. In some cases you will see a note to see an attached schedule since the structure of the fees changed and could not be shown as a strike-through/underline. We have also included some comparisons with other communities for reference.
