1. DISCUSSION:

a. Comprehensive Plan Presentation from the April 25th Joint Workshop

The City Commission and Planning Board members discussed the presentation and discussion that staff gave at the April 25th joint meeting. This discussion included the topics of:

- Moratorium
- Plan Review
 - Hiring consultant(s)
 - Procurement process
 - Defined scope of work

The consensus of the Commission and Planning Board was to ask a professional to review the current plan to present some of the issues/deficiencies/concerns and prepare a presentation outlining that. The Commission and the Planning Board can work on that type of document and determine the next steps. Staff will publish a solicitation to receive a letter of interest for consultant qualifications to hire the appropriate person(s) to proceed in this direction.

Mayor Petrila adjourned the meeting at 5:35 p.m.
