Agenda Report**

Issue Considered: 79th Ave Street End Park project close out.

Date: August 9, 2011

Prepared By: Steven J. Hallock, Public Services Director

Summary of Issue: In an effort to be transparent and accountable to all of the tax payers in the City, staff likes to come back to City Commission after a capital improvement project is completed to report on it. This allows people to see firsthand how their tax dollars were spent and holds staff accountable for how the project was managed.

This project was unique in that it was not in the CIP and City staff took it upon themselves to perform the work as time permitted. We basically took a rather unsightly street end and turned it into a very attractive pocket park. Staff did an outstanding job with a high customer satisfaction on the project. Our goal remains to do this whenever and wherever we can around the City as time and resources permits.

ALSO PRESENT

**Mike Bonfield, City Manager
Karl Holley, Community Development Director
Catherine Hartley, Senior Planner
Rebecca C. Haynes, City Clerk**

City Manager Mike Bonfield briefly explained the redevelopment items and called upon Catherine Hartley to provide additional details.

Senior Planner Catherine Hartley highlighted a few items to accomplish over the next 12 to 18 months.

Ms. Hartley noted the Commission needs to adopt the Zoning Map and Land Development Regulations for the Community Development District, the CRA Plan and the Tax Increment Financing (TIF) District. Pinellas County will also need to adopt the CRA Plan prior to adoption of the TIF.

Ms. Hartley stated that the City needs to join either the Leadership in Energy and Environmental Design (LEED) or the Florida Green Building Council before the 'Green City' designation is awarded. The City must also adopt incentives for green building, bring green businesses into the City with an awards program, adopt an advanced storm water control which also falls under the EPA's recent standards, facilitate transit subsidies for employees and amend the Comp Plan and the LDC to include green site design requirements versus the building code.

Commissioner Parent asked if residents who re-develop need to do so under specific auspices. Currently, Division 39 of the Land Development Code requires an applicant to choose two items from the list of eight, one of which is the LEED certification.

Commissioner Parent asked how many cities in Florida have the certification, to which Ms. Hartley responded that the City of Sarasota is the leader and they would be this City's best resource for guidance.

Ms. Hartley discussed developing an economic development package over the next fiscal year that would include marketing materials and finding a marketing/real estate specialist, who can talk to developers and bring some interest to the City's vacant parcels and re-development of the hotels. They are looking at a budget request of \$50,000 to \$100,000 to put an economic development package together.

Commissioner Parent asked Ms. Hartley to describe the "Main Street" designation. She responded that there is a policy in the Plan that requires the City to apply for "Main Street" status. Main Street is a program that is run by the National Trust for Historic Preservation. If awarded Main Street designation, the City will receive technical assistance and \$10,000 to \$25,000 in façade grants and improvements for the main street. The next cycle will open up in the spring of 2012. Corey Avenue would be designated the main street.

Other programs that were discussed include an affordable housing program, a design master plan for Gulf Boulevard and a public art master plan.

Ms. Hartley noted some minor amendments that are needed in the Plan including removing any reference to the provisions in the Charter that were repealed in the last election and streamlining mixed use calculations.

Mayor McFarlin asked if there were any audience comments or questions.

Resident, St. Pete Beach asked how quickly and to what extent the CRA Program is going to take effect.

City Manager Bonfield responded that it will, more than likely, be the end of next year.

Peter Roos, 105 – 30th Avenue, is excited about the good things he has heard today. He would like to see more use of the recent designation of St. Pete Beach as the "Sunset Capital of Florida".

Robin Grabowski, Tampa Bay Beaches Chamber of Commerce, St. Pete Beach, is thrilled with the community and commission involvement, and she offered the Chamber's assistance in any way needed.

Gary Renfrow, Alden Beach Resort, St. Pete Beach, suggested improving existing businesses, marketing programs and financial opportunities.

There being no further business to come before the workshop, the meeting was adjourned at 4:52 pm.

1. Changes to the Agenda

Mayor McFarlin called upon City Manager Bonfield for changes to the agenda. City Manager Bonfield requested removal of Item 4.b., 'Authorization for the City Manager to grant a request of Paradise Sweets, LLC to temporarily suspend operations at Upham Beach concession stand and reduce the monthly minimum rent paid to the City (\$8,862.00) by \$2,215.00 (The Upham Beach portion) for the remainder of the Upham Beach T-Groin construction project,' and that Item 6.a., 'Ordinance 2010-25, Final Reading and Public Hearing providing for amendment of the Future Land Use Map of the St. Pete Beach Comprehensive Plan for property located at 113 – 11th Avenue,' and Item 6.b., 'Ordinance 2010-34 Final Reading and Public Hearing providing for amendment of the Official Zoning Map

of the St. Pete Beach Land Development Code for property located at 113 – 11th Avenue,' be continued until August 23, 2011, date certain.

Mayor McFarlin called upon Mr. Bowman to come before the Commission.

Jackson Bowman, 1780 102nd Avenue North, stated that he believes the Commissioners are moving the City forward with development plans.

Commissioner Parent made a motion to continue Agenda Items 6.a., Ordinance 2010-35, and 6.b., Ordinance 2011-34, to August 23, 2011 date certain. The motion was seconded by Commissioner Halpern.

The motion was unanimously approved by roll call vote.

Commissioner Shavlan asked that discussion concerning the City's logo be added under Item 8. All were in agreement.

2. Presentations

- a. Proclamation declaring September 23, 2011, as Caregiver Day.

Mayor McFarlin read the proclamation and declared Friday, September 23, 2011 as Caregiver Day.

- b. Alley Rehabilitation project close out.

Renee Cooper, CIP Construction Manager, gave a brief presentation on the alley rehabilitation in Pass-A-Grille, including replacement of surfaces with 6" of broken/crushed shells to allow for better storm water drainage. They repaired 11 alleys for a total cost of \$96,278 and completed 10 additional alleys at the cost of \$87,862 for a total of \$184,140. The project was completed within budget.

3. Audience Comments

Mayor McFarlin opened the meeting to audience comments.

Maria Urban, 6439 2nd Palm Point, stated she represents over 100 residents and submitted a petition to the City Clerk that requests an independent audit of the City's legal services.

Rick Falkenstein, 6441 4th Palm Point, advised the Commission and residents that the Pinellas Suncoast Transit Authority is having a meeting Wednesday at 9:00 a.m. to consider alternative bus schedules.

Rosemary Manning, 200 1st Avenue, suggested that residents who wish to speak to the Commission state their name and address once they reach the podium and before they proceed. She also stated that she wanted to be one of the first people to donate a piece of art to St. Pete Beach once final criteria is established for the public art displays.

Deborah Schechner, 710 Boca Ciega Isle Drive, addressed an article she read in the St. Petersburg Times regarding the City attorneys lobbying in Tallahassee.

Lorraine Huhn, 9425 Blind Pass Road, remarked that because something appears in the newspaper doesn't necessarily qualify it as the truth.

Deborah Edney, 181 73rd Avenue, asked about a letter written by the City Manager involving a property owner and what she considers preferential treatment granted to certain people in St. Pete Beach.

Nancy Shannon, 2141 East Vina del Mar, spoke about a newspaper article written about the City's attorneys, the trees south of the Don CeSar, and asked about a house immediately over the bridge in the Vina del Mar subdivision.

Hearing no further public comments, Mayor McFarlin asked the Commission to speak about the bus issue first.

City Manager Bonfield explained the proposed changes in the bus route and bus schedules.

Karl Holley, Community Development Director, provided an update on the construction of the house located in the Vina del Mar subdivision. Mr. Holley explained that the permit has expired and has been reinstated several times, yet the City cannot take any adverse action as long as the property owner continues to reinstate his permit and do a minimum amount of work. Mr. Holley explained that the City can seek a demolition order but courts are somewhat reluctant to order destruction of private property.

Commissioner Shavlan asked about the construction status of house on 29th Avenue in Pass-A-Grille. Mr. Holley advised that his department is working with the City Attorney's office to foreclose on the lien and recoup unpaid fines.

City Manager Bonfield addressed the issue of the City attorneys lobbying in Tallahassee on behalf of the City. He stated the St. Petersburg Times newspaper article was inaccurate and he requested the editor print a retraction.

4. Consent

a. Approval of the June 28, 2011 Minutes of the City Commission Shade Meeting; the June 28, 2011 Minutes of the City Commission Regular Meeting; and the July 12, 2011 Minutes of the City Commission Regular Meeting.

Vice Mayor Garnett made a motion to approve the Consent Agenda as written. The motion was seconded by Commissioner Shavlan and unanimously approved by roll call vote.

5. Action Items

a. **Case #20110015 Conditional Use.** Applicant requests Conditional Use approval for property located at 3700 Gulf Boulevard for Outdoor Restaurant Seating in accordance with Section 14.4(g) of the Land Development Code. Applicant requests seven (7) seats. This case requires a Quasi-Judicial public hearing.

Mayor McFarlin asked if there were any persons in the audience who would like to be granted substantially affected status. Hearing none, he explained that audience comments will be received after the staff report is presented.

Mr. Holley advised the Commission that his department has received a couple of letters opposing the outdoor seating request.

After discussion by the Commission, Mayor McFarlin asked the applicant to come forward.

John Phillips, authorized Agent for Smiley's Beach Shack St. Pete Beach, L.L.C., briefly explained the application and their compliance with standards, and then answered questions posed by the Commission. He stated that, based on a recent City inspection, the existing barrier log is considered seating that will accommodate three individuals. Mr. Phillips requested the conditional use be amended to accommodate ten seats rather than the original seven seats.

Mayor McFarlin then asked for audience comments.

Norma Robinson, 3210 Gulf Boulevard, would like to see a "No Right Turn" sign at the exit of the parking lot to lessen traffic flow onto El Centro.

Resident, Pass-A-Grille, asked the Commission to consider the problems created serving alcohol after dark.

Hearing no further public comments, Mayor McFarlin asked for Commission discussion.

It was decided to amend the conditional use request from seven (7) seats to ten (10) seats.

Commissioner Shavlan made a motion to approve Case No. 20110015, request for Conditional Use approval under Section 14.4(g) for outdoor restaurant seating at 3700 Gulf Boulevard, to allow seating for ten (10) and provided that a “No Right Turn” sign is placed at the egress of the parking lot.

The motion was seconded by Commission Parent and approved by unanimous roll call vote.

b. **Case No. 20110017 Conditional Use.** Applicant requests conditional use approval for property located at 5300 Gulf Boulevard for modification of Stipulation for Settlement of appeal of Conditional Use Case #20090002 filed under the Florida Land Use and Environmental Dispute Resolution Act. This case requires a Quasi-Judicial public hearing.

Mayor McFarlin asked if any of the Commissioners had any contact with the applicant. Commissioner Shavlan advised that he spoke with Gregg & Debra Nicklaus.

Mayor McFarlin asked if there were any persons in the audience who would like to be granted substantially affected status. Hearing none Mayor McFarlin called upon Community Development Director, Karl Holley, to proceed.

Mr. Holley stated that this is a non-standard request and an amendment to a previously approved conditional use. This amendment would remove the provision restricting wave runner rental to those persons 25 years or older, and provide that the applicant comply with the provisions of State Statute with respect to the age of the renter. Mr. Holley went on to state that he has received no comments in support or opposition of the conditional use.

Mayor McFarlin asked for comments from the applicant.

Gregg Nicklaus, 5300 Gulf Boulevard, thanked the Commissioners for their consideration of his request.

Mayor McFarlin then asked for public comment.

Rosemary Manning, 200 1st Avenue, noted that the rules for wave runner rentals should be consistent for all businesses on the beach.

Hearing no further audience comments, Mayor McFarlin asked for further discussion by the Commission.

Commissioner Shavlan made a motion to approve Case No. 20110017, request for Conditional Use approval for modification of Stipulation for Settlement of appeal of Conditional Use Case No. 20090002 filed under the Florida Land Use and Environmental Dispute Resolution Act.

The motion was seconded by Commission Halpern and unanimously approved by roll call vote.

c. Authorization for the City Manager to proceed with closing on the acquisition of additional land adjacent to Egan Park pursuant to a lease/purchase contract with the Trust for Public Land on or about August 5, 2011. The settlement costs are estimated to be \$403,955.00.

City Manager Bonfield gave a brief explanation of the request and reiterated that the City has received a grant of \$200,000 from the State of Florida which cannot be accepted until the City actually holds ownership of the property. The settlement costs will total \$203,955 once the grant is received from the State. There is money in next year's budget to demolish the structure after which time the City can discuss future improvements.

Vice Mayor Garnett made a motion to authorize the City Manager to proceed with closing on the acquisition of additional land at Egan Park pursuant to a lease/purchase contract with the Trust for Public Land on or about August 5, 2011.

The motion was seconded by Commissioner Shavlan.

Mayor McFarlin asked for audience comments.

Deborah Schechner, 710 Boca Ciega Isle Drive, suggested that, after the building is demolished, the City should put the property up for sale.

The motion was unanimously approved by roll call vote.

6. Ordinances

There were no ordinances presented for this agenda.

7. Resolutions

There were no resolutions presented for this agenda.

8. Items for Discussion

a. City Commission Appointment to the Pinellas Suncoast Transit Authority (PSTA) Board of Directors.

City Manager Bonfield explained that this is a 'BIG C' appointment to the PSTA and suggested that the Commission take action to support the 'BIG-C' recommendation.

Vice Mayor Garnett made a motion to accept the BIG C's recommendation for appointment to the Pinellas Suncoast Transit Authority Board of Directors. The motion was seconded by Commissioner Halpern and unanimously approved by roll call vote.

b. Discussion of City Logo and Website – Commissioner Shavlan

Commissioner Shavlan stated that he believes it is important how the City presents itself and suggested that one of the first steps moving forward is revising the City's logo. He is requesting to take advantage of the legacy that Governor Charlie Christ bestowed upon the City and use "Sunset Capital of Florida" in our logo. Commissioner Shavlan presented several different designs which were discussed at length. He noted that he will take the suggested revisions back to the design team and return with the modifications for further discussion.

It was agreed that once the new log is approved, the Commission will work on updating the website.

Rick Falkenstein, 6441 4th Palm Point, suggested holding a contest to design a new logo and offered to make a donation.

Rosemary Manning, 200 1st Avenue, suggested using bold lettering.

Commissioner Parent thinks the City should take a look at "Facebook" and "Twitter" in addition to the website as a means of attracting more people to St. Pete Beach.

9. Reports

City Manager Mike Bonfield reported a Planning Board Workshop scheduled on August 1st at 4:00 p.m., a City Commission CIP Workshop is scheduled on August 2nd at 5:00 p.m. and City Commission Budget Workshops are scheduled on August 3rd & 4th at 5:00 p.m. At the August 23rd City Commission meeting, the City Attorney will present to the Commissioners an update on ethics, public records and the Sunshine Law. Mr. Bonfield reviewed

correspondence he received from Pinellas County Supervisor of Elections regarding upcoming election dates which will be finalized the first part of October.

City Attorney Mike Davis provided the Commissioners with a copy of a motion filed in the appeal of the Pyle case where they are advising the court that they believe the case is moot and should no longer proceed. Similar motions will be filed in the other Pyle cases in an effort to put an end to the continuing litigation.

Mr. Davis also provided the Commissioners a summary of the legal actions that have been filed against the City of St. Pete Beach by Mr. Ken Weiss.

Vice Mayor Beverly Garnett reported that a Pass-A-Grille resident will be hosting a Japanese exchange student and they will attend the sunset bell ringing ceremony at Paradise Grill. She asked her fellow Commissioners to consider attending to give this young lady a warm welcome to St. Pete Beach.

Vice Mayor Garnett reported that there have been ten (10) turtle nests this summer, two of which have hatched.

Vice Mayor Garnett advised that she is cancelling her August meeting due to past attendance in the summer months. If residents would like to see her, they may contact her via email or telephone.

Commissioner Parent reminded residents about the 50% off on pool membership which will expire July 31st. To date, 23 memberships have been sold at a discounted rate.

Commissioner Parent reported that the Recreation Department has brought in about a \$1 million dollars in the last four (4) years. He noted that there are two remaining Friday night Dive-In Movies, 'Madagascar' on August 5th and 'Shark Tale' on August 12th.

Commissioner Parent commented that he placed the quarterly report from Community Development Department on his website. He also downloaded the maps to the City's Comprehensive Plan that depict the 11 character districts.

He reported that the St. Pete Beach Police Department was notified that they placed in the top three at the Florida Law Enforcement Traffic Challenge and received their award of \$13,500 in traffic safety equipment in Orlando.

Commissioner Al Halpern reported that his homeowners association recently completed a project in District One and the residents are very satisfied

with the improvement. He thanked Steve Hallock's crew for doing an excellent job.

Mayor Steve McFarlin reminded the Commission that he will not be present at the August 9th Commission meeting.

Mayor McFarlin stated that their hearts and prayers go out to Deputy City Clerk Pam Prell, who was injured in a recent home fire.

Commissioner Shavlan mentioned that he had received a call from Mr. Bob Rogers, member of the Police Pension Board.

There was discussion concerning the opening on the Police Pension Board and attendance at their next meeting.

10. Adjournment

There being no further business to come before the Commission, the meeting was adjourned at 8:22 pm.

St. Pete Beach, FL 33706

Dear Mr. Bonfield,

The Pinellas Public Library Cooperative's Board of Directors has recommended the reallocation of capital improvements funds to be used for operational expenses for countywide services that support all member libraries during fiscal year 11/12. The board has stipulated that a balance of \$500,000 be maintained in the Capital Improvement Fund (CIF) for future projects. It is the board's position that providing financial support for operational expenses previously funded through the State Aid to Libraries Grant program would provide the greatest benefit to our members until such time as state funds are restored to previous levels.

The balance in the CIF as of 6/30/2011 is \$ 834,890. The funding provisions in the current interlocal agreement require that 5% of the MSTU funds collected annually be placed in the capital improvement fund. Based on the projected MSTU income in FY 11/12 an estimated \$234,000 will be added to the fund in the upcoming fiscal year.

In accordance with Section V.C.3 of the Interlocal Agreement which states that any change in the disbursement formula requires the approval of the Cooperative Board of Directors, a simple majority of the parties, and the Board of County Commissioners, we are seeking your approval of the following amendment to the disbursement formula:

Approve a change to the funding formula to reallocate capital funds to operating expenses in the amount of \$420,000 on a one-time basis for the 11/12 fiscal year, conditioned on maintaining a balance of at least \$500,000 in the capital reserve fund.

Your support of this amendment will allow the Cooperative to continue to provide the necessary financial support for critical services which would otherwise be billed directly back to our member libraries.

Your response regarding the amended funding formula is **needed by August 12, 2011**. After signing and dating your reply, please mail directly to **Pinellas Public Library Cooperative, Inc., 1330 Cleveland Street, Clearwater, FL 33755** in the enclosed return envelope. Issue Considered: Authorize the City Manager to allow access to Upham Beach for the Upham Beach Stabilization Project as outlined in the FDEP/ACOE Joint Coastal Permit application.

Date: August 9, 2011

Prepared By: Steven J. Hallock, Public Services Director

Summary of Issue: The County is currently working on the FDEP/ACOE Joint Coastal Permit application for the Upham Beach Stabilization Project. This project is expected to be completed in 2013 and consists of removal of the existing geotextile tube structures and replacement of the structures with four permanent rock groin structures in a modified layout. Under the permit application the City must authorize access to the property for the project.

INTRODUCTION

Attached is a Joint Coastal Permit application form and a Notice of Receipt of Application form. Use of these forms is required when applying for the following:

- 1) a Joint Coastal Permit for activities that extend onto sovereignty lands of Florida, seaward of the mean high-water line and are likely to have a material physical effect on the coastal system or natural beach and inlet processes, pursuant to Sections 161.021, 161.041 and 161.055, F.S., and Rule 62B-49.001, F.A.C.;
- 2) authorization to use sovereign submerged lands in association with a Joint Coastal Permit; and
- 3) a federal dredge and fill permit for activities outlined above.

COPIES / APPLICATION FEES

Submit one (1) completed application form with original signature, along with the certified drawings and all the supporting materials requested on the form. Whenever submitting information for your application (original application or additional information), the package must include the original paper copy, two (2) additional paper copies and two (2) electronic copies of all submitted items. Submit the entire application package (1 original set, 2 paper copies and 2 electronic copies) to the Department along with the appropriate application fee. A spreadsheet is available on the Bureau's web page to aid in calculating the correct application fee.

DISTRIBUTION TO THE U.S. ARMY CORPS OF ENGINEERS

When activities are proposed in, on or over wetlands or other surface waters, the Department shall forward a copy of the application to the United States Army Corps of Engineers (USACE). The USACE will advise you of any additional information that may be required to complete the federal dredge and fill portion of the permit application. The information requested in this application form may be more than required to make a complete application to the USACE. However, it is useful and may be essential for subsequent evaluation. **Please provide measurements in both English units and metric equivalents for projects that require a federal permit.**

CONSULTATION

Applicants are encouraged to consult with Department staff prior to submittal of the formal application. If you have any questions, please consult with the staff of the Department of Environmental Protection (DEP), Bureau of Beaches and Coastal Systems prior to submittal of the formal application.

The applicant is required to complete the "NOTICE OF RECEIPT OF APPLICATION FOR JOINT COASTAL PERMIT" form on the last page of the application package. Failure to provide this information will delay processing.

NOTE: The information listed in this application package is not intended to be all-inclusive. Additional information may be requested by the reviewing agency in order to complete your application.

5. Describe in general terms the proposed activity including any phasing. Please provide measurements for projects that require a federal permit in both English units and metric equivalents.

The project consists of removal of the existing geotextile tube structures and replacement of the structures with four permanent rock groin structures in a modified layout. Modifications include: shifting the head of T1 offshore by approx. 50 ft (15.24m), adjusting the angle of the head of T2, removal of T3 and a relocation of T4 by approx. 100ft (30.48m) to the north.

6. Are you requesting any exemptions? ☐ YES ☒ NO If yes, provide explanation and cite rule number(s)

7. Describe the purpose and need of the proposed activity including any public benefits.

See Attachment No. 7.

☒ Check here if information is continued on an attached sheet.

8. Indicate the requested duration of your permit:

☐ 3 years (experimental)

☐ 5 years (new construction)

☒ 10 years (maintenance)

9. Indicate the type of sovereignty submerged lands authorization being requested.

☐ Letter of Consent

☒ Public Easement

☐ Private Easement

☐ Lease

☐ Other: _____

Also indicate the requested duration of this sovereignty submerged lands authorization: 50 years.

10. Please identify by number any JCP / DBS / Wetland Resource / ERP / ACOE Permits pending, issued or denied for projects at the location, and any related enforcement actions.

12. Has an Erosion Control Line been established pursuant to Sections 161.141 - 161.211, F.S.? ☒ YES ☐ NO

If yes, please provide evidence that the ECL has been recorded and show the location of the established ECL on all appropriate drawings.

See Attachment No. 12.

INFORMATION FOR ASSESSMENT OF SOVEREIGNTY SUBMERGED LANDS APPLICATION:

SUBMIT THE FOLLOWING ITEMS AS ATTACHMENTS:

Note: A justification or explanation is required when requesting a waiver of any of the items below. Waiver is defined as relinquishing the requirements for the cited information.

Attached	To be Provided	Waiver Requested	Not Applicable
----------	----------------	------------------	----------------

13. A copy of the Division of State Lands title determination for submerged lands or other State-owned lands. If you do not have title determination, Department staff will request that the Division of State Lands conduct a title check while your application remains incomplete. ☐ ☒ ☐ ☐

The Applicant requests a title check be preformed on their behalf.

14. Satisfactory evidence demonstrating that the applicant has sufficient control and interest in the riparian upland property, as described in Subsection 18-21.004 (3)(b), Florida Administrative Code. Governmental entities that qualify for the waiver or deferral outlined in this rule must provide supporting documentation in order to be eligible. If the applicant is not the property owner, then authorization from the property owner for such use must be provided. ☒ ☐ ☐ ☐

See Attachment No. 14.

15. A detailed statement describing the existing and proposed upland uses and activities. For projects sponsored by a local government, indicate whether or not the facilities will be open to the general public. Provide a breakdown of any user fees that will be assessed to the general public and indicate whether or not such user fees will generate revenue or will simply cover costs associated with maintaining the facilities. ☒ ☐ ☐ ☐

See Attachment No. 15.

16. **The information in this item is only required if you are applying for a sovereignty submerged lands easement or lease.** A list of the names and addresses of owners of all riparian property within 1,000 feet (and within a 500 ft radius) of the proposed sovereignty submerged lands easement or lease site from the latest county tax roll. If the property is under cooperative or condominium ownership, the name and mailing address of the cooperative or condominium association will be adequate. This would not apply to off-shore leases or easements that are not located within 1,000 feet of the shoreline. ☒ ☐ ☐ ☐

See Attachment No. 16.

17. A legal property description and acreage of any sovereign submerged land that would be encompassed by the requested lease or easement, plus two (2) prints of a survey prepared, signed and sealed by a person properly licensed by the Florida State Board of Land Surveyors. ☐ ☒ ☐ ☐

18. SIGNATURE(S)

- A. By signing this application form, I am applying, or I am applying on behalf of the applicant, for the permit and any proprietary authorizations identified above, according to the supporting data and other incidental information filed with this application. I am familiar with the information contained in this application and represent that such information is true, complete and accurate. I understand this is an application and not a permit, that work prior to approval is a violation, and any permit issued or proprietary authorization issued pursuant thereto, does not relieve me of any obligation for obtaining any other required federal, state, water management district or local permit prior to commencement of construction. I agree, or I agree on behalf of my corporation, to operate and maintain the permitted system unless the permitting agency authorizes transfer of the permit to a responsible operation entity. I understand that knowingly making any false statement or representation in this application is a violation of Section 373.430, F.S. and 18 U.S.C. Section 1001.

INFORMATION FOR ASSESSMENT OF IMPACTS TO THE COASTAL SYSTEM

SUBMIT THE FOLLOWING ITEMS AS ATTACHMENTS:

Note, a justification or explanation is required when requesting a waiver of any of the items below. Waiver is defined as relinquishing the requirements for the cited information.

	Attached	To be Provided	Waiver Requested	Not Applicable
19. Written evidence, provided by the appropriate governmental agency having jurisdiction over the activity, that the proposed activity, as submitted to the Department, is consistent with the state-approved Local Comprehensive Plan.	☒	☐	☐	☐
20. Topographic and bathymetric survey drawings of the proposed project site(s), including profiles and a contour map that reflect conditions within the past six (6) months, in accordance with Rule 62B-41.008(1)(h), F.A.C. Drawings shall meet the State's minimum technical standards and shall be signed and sealed by the professional surveyor, duly registered pursuant to Chapter 472, Florida Statutes, who performed the survey.	☐	☒	☐	☐
21. A description of how the boundaries of any wetlands affected by the project were determined. If the wetland boundaries have ever been delineated through a jurisdictional declaratory statement, a formal wetland determination, a formal determination, a validated informal determination or a revalidated jurisdictional determination, provide the identifying number of the document.	☒	☐	☐	☐
22. An engineering description and measured-drawings of any existing structures on the site that may be directly or indirectly affected by, or that may directly or indirectly affect, the proposed activity. This shall typically include shore protection structures such as groins, utility or stormwater outfalls, including subgrade structures, and any derelict structures such as remnant walls or pilings.	☒	☐	☐	☐
23. Complete sets of construction plans and specification for the proposed activity, certified by an engineer duly registered pursuant to Chapter 471, Florida Statutes. The plans shall clearly distinguish between existing and proposed structures and grades, and shall include the following:				
a. Plan view of the proposed activity depicting the mean high-water line, any easement boundary and the erosion control line (if applicable) within the area of influence of the proposed activity. Identify the boundaries of significant geographical features (e.g., channels, shoals) and natural communities (e.g., submerged grass beds, hardbottom or mangroves) within the area of influence of the activity. Include a north arrow and a scale bar on each drawing.	☐	☒	☐	☐
b. A sufficient number of cross-section views of the proposed activity depicting the slopes, the mean high-water line, any easement boundary and the erosion control line (if applicable) within the area of influence of the proposed activity. Identify the boundaries of significant geographical features and natural communities in the area of influence of the proposed activity. Elevations indicated on the cross-sections shall be referenced to the North American Vertical Datum of 1988 (NAVD 88).	☐	☒	☐	☐
c. Details of construction, including materials and general construction procedures and equipment to be used (e.g., construction access, dredging method, dredged material containment, pipeline location).	☒	☐	☐	☐
24. In addition to the full-size drawings requested above, the information required under Paragraphs (20), (22) and (23) above shall be provided on 8 1/2-inch by 11-inch paper, certified by an engineer duly registered pursuant to Chapter 471, Florida Statutes. Each drawing shall include an accurate scale or dimensions, and all information shown on the drawing shall be clearly legible.	☒	☐	☐	☐

	Attached	To be Provided	Waiver Requested	Not Applicable
25. An aerial photograph or map with a scale of 1" = 200', showing: the project boundaries, DNR Reference Monument locations, major county landmarks, boundaries of significant natural communities (e.g., submerged aquatic vegetation, hardbottom or mangroves) and special aquatic or terrestrial sites (parks, sanctuaries, refuges, Outstanding Florida Waters, aquatic preserves, etc.) within the project boundary and a minimum of 1,000 feet in both shore parallel directions of the project boundary.	☒	☐	☐	☐
26. A proposed construction schedule.	☒	☐	☐	☐
27. Permit applications for excavation or fill activities shall include the following detailed information concerning the material to be excavated and the existing or native material at the beach fill site:				
a. Site plans showing the location of all core borings and the boundaries of the area to be excavated.	☐	☐	☐	☒
b. Core boring logs of all cores taken throughout the area to be excavated and surrounding area. Logs should extend at least two feet below the proposed bottom elevation. The depth of each visible horizon in the log should be reported relative to NAVD (88) and the material in each stratum classified according to grain size.	☐	☐	☐	☒
c. Particle size and color analysis of the sediment. Gradation curves, frequency distribution curves and data analysis sheets should be produced from sieve analysis of each stratum in the core. Grain size distribution must be determined down to the standard unit 230 sieve size. Color analysis of moist sediment should use Munsell system of hue, value and chroma.	☐	☐	☐	☒
d. Carbonate content and percent organics by dry weight from representative stratum in each core. Chemical analyses shall be required if there is reason to suspect that the sediments are contaminated.	☐	☐	☐	☒
e. Representative physical samples and particle size, color and carbonate content of the existing or native material at the beach fill site.	☐	☐	☐	☒
f. A sediment QA/QC plan that will ensure that the sediment to be used for beach restoration or nourishment will meet the standards set forth in paragraph 62B-41.007(2)(j), F.A.C.	☐	☐	☐	☒
Submit all geotechnical information in electronic file format suitable for input to the Department's Reconnaissance Offshore Sand Search (ROSS) database. The data may be submitted in Excel, Access or gINT files. The MS Access Front End Loader is available on the ROSS website http://ross.urs-tally.com/. Visit the gINT website http://www.gintsoftware.com/ for downloads necessary for the ROSS data structure. Submit electronic geo-referenced maps (shapefiles and metadata) of borrow area boundaries, core boring locations, and seismic track lines with time stamps and shot points, and .pdf files of seismic images with time stamp annotations.				
28. Using an established natural community classification system, describe each natural community within the area of influence of the proposed activity and include:				
a. Acreage.	☐	☐	☐	☒
b. Identification of the flora and fauna to the lowest taxon practicable.	☐	☐	☐	☒
c. Characterization of dominant and important flora and fauna and estimates of percent biotic cover.	☐	☐	☐	☒
d. Sampling locations, date of sampling or measurements and methods used for sampling.	☐	☐	☐	☒

	Attached	To be Provided	Waiver Requested	Not Applicable
29. Detailed information on season of occurrence, density, and location of threatened or endangered species whose range occurs within the proposed activity.	☒	☐	☐	☐
30. Results of available wildlife surveys that have been conducted on the site, and any comments pertaining to the proposed activity from the Florida Fish and Wildlife Conservation Commission.	☐	☒	☐	☐
31. A current Biological Opinion from the U.S. Fish and Wildlife Service or the National Marine Fisheries Service, when the Florida Wildlife Conservation Commission has determined that the proposed project will result in a take of marine turtles, which could not be authorized without an incidental take determination under federal law.	☐	☒	☐	☐
32. A general description of the use and importance of the area influenced by the proposed project for all recreational activities, including (but not limited to) fishing, diving, surfing and bird watching. Also include a general description of any commercial fishing in the area.	☒	☐	☐	☐
33. Analysis of the expected effect of the proposed activity on the coastal system including but not limited to:				
a. Analysis of the expected physical effect of the proposed activity on the existing coastal conditions and natural shore and inlet processes. The analysis should include a quantitative description of the existing coastal system, the performance objectives of the proposed activity, the design parameters and assumptions, relevant computations, validation of the results and the data used in the analysis. See Attachment Number 38.	☒	☐	☐	☐
b. Analysis of the compatibility of the fill material with respect to the native sediment at the placement site. The analysis should include all relevant computations, the overfill ratios, and superimposed graphs of the cumulative grain-size distribution and the frequency distribution of the fill material over the data for the existing or native sediment at the placement site. Provide computations of borrow area volume and composite fill material characteristics (mean grain size and sorting, percent carbonate content) in an electronic spreadsheet.	☐	☐	☐	☒
c. Demonstration of consistency with the Department's strategic beach management plan or an inlet management plan in accordance with Rule 62B-41.005(15), F.A.C. If the proposed project is not included in an inlet management plan the applicant will provide the information specified in Rule 62B-41.008(1)(m), F.A.C.	☒	☐	☐	☐
d. Analysis of how water quality and natural communities would be affected by the proposed project. Provide graphic representation (depiction) of the area of direct and secondary influence of the proposed activity and delineate the natural communities within that area. All required surveys shall be representative of conditions existing at the time of submittal. Surveys of submerged aquatic vegetation (SAV) shall be conducted in the field during the growing season for a given climatic region such that they capture the full areal extent and biomass of the SAV community. Species composition and spatial distribution shall also be addressed by the survey. Estimate the affected acreage of each impacted community.	☐	☐	☐	☒
Note: If a mixing zone is proposed, provide a narrative description and graphic representation of the mixing zone. Identify any areas within the proposed mixing zone that contain significant submerged resources. Explain why the size of the proposed mixing zone is the minimum necessary to meet water quality standards and provide justification for that size.				
e. Reasonable assurances that a regulated activity will not cause unacceptable cumulative impacts pursuant to Rules 40X-4.302(1)(b) and 62B-41.002(19)(b), F.A.C.	☒	☐	☐	☐

	Attached	To be Provided	Waiver Requested	Not Applicable
34. Describe the location and details of the erosion, sediment and turbidity control measures to be implemented during each phase of construction and all other measures used to minimize adverse effects to water quality.	☐	☐	☐	☒
35. Describe any methods proposed to protect threatened or endangered species. All conditions of the USFWS biological opinion will be followed.	☐	☒	☐	☐
36. A written statement providing the necessity and justification for the potential impacts to the coastal ecosystem that may be caused by the proposed coastal construction.	☒	☐	☐	☐
37. A narrative description of any proposed mitigation plans, pursuant to Rule 62-345, F.A.C., including purpose, a comparison between the functions of the impact site to the mitigation site, maintenance, monitoring, estimated cost, construction sequence and techniques. For proposed artificial reefs, indicate the water depth, depth of sand overlying bedrock, proposed relief and materials (type, size and shape).	☐	☐	☐	☒
38. An analysis of available alternatives to the proposed coastal construction, pursuant to Rules 62B-41.005(17) and 40X-4.301(3), F.A.C. (where "X" represents "C", "D" or "E" for the corresponding Water Management District), that would minimize adverse impacts to the coastal system. Discuss any related effects on the coastal system. See Attachment No. 38.	☒	☐	☐	☐
39. A fee, as set forth in Rule 62B-49.006, F.A.C. A spreadsheet is available on the Bureau's web page to aid in calculating the correct application fee. In order to calculate the fee, please provide the following: the acreage of proposed filling seaward of the MHW line; the acreage of proposed dredging; the cubic yardage of fill to be placed on the beach (above and below the MHW line); the cubic yardage of material to be dredged from an inlet and then placed either in an upland or offshore disposal site; the length of rigid coastal structures (groins, breakwaters, jetties, seawalls and revetments); and the number of inlet-related structures (new channels, sand traps and bypassing plants).	☐	☒	☐	☐

The Applicant Requests that the FDEP calculate the appropriate fee on their behalf.

Note: Additional information may be required by statute or rule, or if found by staff to be reasonably necessary for proper evaluation of the application under applicable statutory and rule criteria.

Specific Authority 161.041, 253, 258, 370.021, 370.12 and Part IV of 373, Florida Statutes.

JOINT APPLICATION FOR JOINT COASTAL PERMIT AND AUTHORIZATION TO USE SOVEREIGNTY SUBMERGED LANDS

NOTICE OF RECEIPT OF APPLICATION FOR JOINT COASTAL PERMIT

This information is required in addition to that required in other sections of the application. Please submit three (3) paper copies and two (2) electronic copies of this notice of receipt of application, including the attachments and information listed below. Please submit all information on 8 1/2" x 11" paper.

Project Name: Upham Beach Stabilization Project

County: Pinellas County

Owner: St. Petersburg Beach, City Manager Michael Bonfield, 155 Corey Avenue, St. Petersburg Beach, FL 33706

Applicant: Pinellas County, Dept. of Environmental & Infrastructure, Coastal Manager Andy Squires

Applicant's Address: 14 South Fort Harrison Ave. - 6th Floor
Clearwater, FL 33756

1. Indicate the activity boundaries on a USGS quadrangle map. Attach a location map showing the boundary of the proposed activity. The map should also contain a north arrow and a graphic scale; show Section(s), Township(s), and Range(s); DNR reference monuments; political boundaries; and identifiable landmarks. This map must be of sufficient detail to allow a person unfamiliar with the site to find it.
See Attachment No. 4
2. Attach drawings (plan and section views) that clearly show the proposed construction or other activities. Use multiple sheets, if necessary. Use a scale sufficient to show the location and type of work.
See Attachment No. 24
3. Provide the names of all waterbodies and wetlands that would be affected by the proposed project and specify if they are in an Outstanding Florida Water or Aquatic Preserve:
Gulf of Mexico, Pinellas County Aquatic Preserve
4. Briefly describe the proposed project (such as "beach restoration", "inlet maintenance dredging", "terminal groin", etc.):
T-Head groin field construction, four structures
5. Specify the acreage of each natural community type that is proposed to be filled, excavated, or otherwise disturbed or impacted by the proposed activity:
Approximately 1.64 acres of beach will be impacted by the proposed activity based upon the footprint of the structures.
6. Provide a brief statement describing any proposed mitigation for impacts to natural communities (attach additional sheets if necessary):
No natural communities will be impacted by the proposed construction. No mitigation is proposed.

St. Pete Beach City Commission
Agenda Report

Issue Considered: Authorize the City Manager to hang banners over 75th Avenue at Boca Ciega Drive and over the Pinellas Bayway at Granada Avenue for the 2012 Suntan Art Center/City of St Pete Beach 100 Artists Shows.

Date: August 9, 2011

Prepared By: Connie Kest, Administrative Service Assistant

Thru: Steven J. Hallock, Public Services Director

Summary of Issue: Suntan Art Center/City of St Pete Beach is requesting permission to have banners erected over 75th Avenue and the Pinellas Bayway announcing the 100 Artists Shows for 2012. The City Commission must approve this request prior to receiving permission from FDOT to erect the banners. If approved, the banners will be installed and removed as follows:

Installed January 20, 2012 and removed February 20, 2012
Installed October 29, 2012 and removed November 26, 2012

The Public Services Department charges \$184.00 for each banner installed. However, because the City is a sponsor of this event, there will be no charge.

Requested Motion: "I move to authorize the City Manager to hang banners over 75th Avenue at Boca Ciega Drive and over the Pinellas Bayway at Granada Avenue for the 2012 Suntan Art Center/City of St Pete Beach 100 Artists Shows."

St. Pete Beach City Commission
Agenda Report

Issue Considered: Authorize the City Manager to hang banners over 75th Avenue at Boca Ciega Drive and over the Pinellas Bayway at Granada Avenue for the 2012 October Friday Nights Concert in the Park Series.

Date: August 9, 2011

Prepared By: Connie Kest, Administrative Service Assistant

Thru: Steven J. Hallock, Public Services Director

Summary of Issue: St Pete Beach Recreation Division and Friends of St Pete Beach are requesting permission to have banners erected over 75th Avenue and the Pinellas Bayway announcing the 2012 October Friday Nights Concert in the Park Series. The City Commission must approve this request prior to receiving permission from FDOT to erect the banners. If approved, the banners will be installed on September 21, 2012 and removed October 29, 2012.

The Public Services Department charges \$184.00 for each banner installed. However, because the City is a sponsor of this event, there will be no charge.

Requested Motion: "I move authorize the City Manager to hang banners over 75th Avenue at Boca Ciega Drive and over the Pinellas Bayway at Granada Avenue for the 2012 October Friday Nights Concert in the Park Series."

Update June 15, 2011

**St. Pete Beach City Commission
Agenda Report**

Issue Considered: Approval of proposed change to the PSTA Route 35.

Date: August 9, 2011

Prepared By: Mike Bonfield, City Manager

Summary of Issue: The City currently contracts with the Pinellas Suncoast Transit Authority (PSTA) for inclusion in the Suncoast Beach Trolley which presently runs from Clearwater Beach to Pass-A-Grille. In addition, PSTA provides a trolley connection (Route 35) from the Pier in St. Petersburg to the trolley stop at 75th Avenue and Gulf Boulevard. PSTA is proposing to modify the routes to have the Suncoast Beach Trolley stop at 75th Avenue and Gulf Boulevard, while extending Route 35 from downtown St. Petersburg to Pass-A-Grille with increased frequency of service. The primary change will be that service to and from downtown St. Petersburg would no longer require a transfer at 75th Avenue, while service on the Suncoast Beach Trolley will now originate at 75th Avenue and require a transfer for anyone travelling south of that location.

PSTA is requesting approval in this route change by the City of St. Pete Beach in order to begin implementation of the change later this year.

Requested Motion: “I move to approve the proposed change to the PSTA Route 35.”

St. Pete Beach City Commission
Agenda Report

Issue Considered: Authorize the City Manager to enter into a purchasing agreement with Eveland Bros., Inc., for \$83,796.68 for Horan Park Improvements.

Date: August 9, 2011

Prepared By: Renee Cooper, CIP Construction Manager

Through: Steven J. Hallock, Public Services Director

Summary of Issue: Horan Park Improvements were issued in an RFP in May of 2011. Proposed improvements included a walking path, patio area, new park lighting, and new electrical outlets.

The project bid on June 15th with three (3) bidders submitting proposals. The bids also included numerous alternates in an attempt to have options to reduce project cost if needed. As suspected, the original bid came in well over budget, so we negotiated value engineering items with our successful low bidder. It is our recommendation that Eveland Bros. be awarded the purchasing agreement to complete 6 electrical outlet locations, meter platform, new meter, new electrical panel, and new site lighting.

The Horan Park Lighting CIP has \$50,000 budgeted and the Merry Pier Tanks CIP \$51,600 budgeted. We are proposing to use \$83,796.68 of this budgeted CIP funding for the Horan Park Improvements. As a result the Merry Pier Tanks CIP project will not be completed.

Requested Motion: "I move to authorize the City Manager to enter into a purchasing agreement with Eveland Bros. for \$83,796.68 for Horan Park Improvements."

CITY OF ST. PETE BEACH, FLORIDA
PURCHASING AGREEMENT
Horan Park Improvements

THIS AGREEMENT is hereby executed this 9 day of August, 2011, between the CITY OF ST. PETE BEACH, FLORIDA (hereinafter "CITY") and Eveland Brothers, Inc. (hereinafter "VENDOR"), as follows:

WHEREAS, City is desirous of purchasing from Vendor the goods or services described in this agreement; and

WHEREAS, Vendor is in the business of providing the goods or services described herein, and has submitted an appropriate proposal to the City to provide the same; and

WHEREAS, this agreement has been properly approved by the appropriate authority of the City and the Vendor.

NOW, THEREFORE, upon the mutual covenants contained herein, and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties hereto hereby agree to the following:

1. City hereby agrees to purchase, and Vendor hereby agrees to sell or provide, the goods or services described in the proposal attached hereto and incorporated herein.

2. Vendor shall deliver the goods, or provide the services, described herein no later than October 1, 2011.

3. Time is of the essence in the performance of this contract. City shall be entitled to liquidated damages in the amount of \$500 per day, for each day subsequent to the date set forth in paragraph 2 hereof that Vendor has failed to properly and completely deliver all of the goods or provide all of the services herein specified. Vendor specifically acknowledges that the foregoing sum is reasonable and does not constitute a penalty.

4. Upon Vendor's satisfactory delivery of the goods, or full performance of the services, or in accordance with the payment schedule provided in the attached proposal, City shall pay Vendor the sum of \$83,796.68, as full consideration for the goods or services provided hereunder.

5. Vendor fully warrants the title to any goods provided hereunder, and agrees to defend the same against all claims whatsoever. At the time of delivery, Vendor shall furnish to the City a bill of sale absolute, with full warranties, or other evidence of title transfer satisfactory to the City, for the goods specified herein.

6. Vendor expressly warrants that all goods delivered hereunder are of merchantable quality and fit for the purpose for which the City has purchased the same. Vendor further warrants that any defects in the goods shall be properly repaired by Vendor for a period of 18 months from final delivery, including all parts and labor associated with said repairs.

7. City reserves the right to reject any defective goods, notwithstanding City's payment of the purchase price provided herein.

8. Vendor fully warrants that all services provided hereunder have been provided in a good and workmanlike manner. Vendor guarantees said services for a period of 18 months from the date of final performance. Vendor shall provide all labor and materials necessary to repair any defective workmanship reported to Vendor within said guarantee period.

9. To the extent that this agreement requires Vendor to provide any services of any kind, Vendor and all of Vendor's subcontractors shall maintain public liability insurance in a single combined limit for bodily injury and property damage in the amount of not less than \$1,000,000.00, satisfactory to the City Manager of City, naming the City as additional insured and providing coverage up through and including the final performance of any services provided hereunder. Vendor and all of Vendor's subcontractors shall maintain in full force and effect a policy of worker's compensation insurance for all of Vendor's employees in accordance with applicable state and federal law. Said insurance coverage shall include employer's liability with a single limit of \$100,000.00 per accident or occurrence. Vendor shall present City with a certificate for all of the foregoing insurance, at the time of executing this agreement and at such other times requested by the City.

10. In consideration of the payment of ten dollars as part of the above purchase price, Vendor shall indemnify, defend and hold the City harmless for itself, its employees, agents and assigns, from and against any and all losses, claims, damages, suits, actions, or demands, including attorneys fees and costs of litigation through all appellate proceedings, arising from the performance or non-performance of this agreement, whether caused in part by the City or not.

11. This Agreement shall be binding upon the parties, their successors, assigns, and legal representatives. Vendor shall not assign or otherwise transfer any of the rights or duties under this Agreement, without the express written consent of the City.

12. This document embodies the entire agreement of the parties. There are no promises, terms, conditions, or representations binding on either party hereto, other than those contained herein; and this document shall supersede all previous communications, representations, and/or agreements between the parties hereto, whether written or oral. This Agreement may be modified only in writing executed by all parties. This agreement shall be construed according to the laws of Florida, and venue for any action arising herefrom shall be in Pinellas County, Florida.

13. The prevailing party in any action to enforce or interpret this agreement shall be entitled to reasonable attorneys fees incurred through all appellate proceedings.

14. Vendor hereby acknowledges that the person executing this agreement on behalf of Vendor has the full authority to do so and to bind Vendor to the terms hereof.

15. Any notices provided hereunder shall be sent to the parties at the following addresses and shall be considered properly delivered when placed in the U.S. mail, postage prepaid, certified return receipt requested:

As to Vendor:

Eveland Brothers, Inc.
12790 Automobile Blvd.
Clearwater, FL 33762

As to City:

Agenda Report

Issue Considered: Authorize the City Manager to enter into a purchasing agreement with L&S Curb Service for \$20,154.20 for Horan Park Improvements.

Date: August 9, 2011

Prepared By: Renee Cooper, CIP Construction Manager

Through: Steven J. Hallock, Public Services Director

Summary of Issue: Horan Park Improvements were issued in an RFP in May of 2011. Proposed improvements included a walking path, patio area, new park lighting, and new electrical outlets.

After reviewing the bids, it was decided to remove the concrete portion of the work from the Horan Park Improvements contract. L&S Curb Service was previously awarded a contract, including unit prices, to complete sidewalk and curb work citywide. By re-bundling the project into separate components, we were able to achieve a much lower overall project price.

The Sidewalk & Curb Repairs CIP budget currently has \$21,706.89 remaining and this money will be used to fund this portion of the project.

Requested Motion: "I move to authorize the City Manager to enter into a purchasing agreement with L.S. Curb Service for \$20,154.20 for Horan Park Improvements."

3. Time is of the essence in the performance of this contract. City shall be entitled to liquidated damages in the amount of \$500 per day, for each day subsequent to the date set forth in paragraph 2 hereof that Vendor has failed to properly and completely deliver all of the goods or provide all of the services herein specified. Vendor specifically acknowledges that the foregoing sum is reasonable and does not constitute a penalty.

4. Upon Vendor's satisfactory delivery of the goods, or full performance of the services, or in accordance with the payment schedule provided in the attached proposal, City shall pay Vendor the sum of \$20,154.20, as full consideration for the goods or services provided hereunder.

5. Vendor fully warrants the title to any goods provided hereunder, and agrees to defend the same against all claims whatsoever. At the time of delivery, Vendor shall furnish to the City a bill of sale absolute, with full warranties, or other evidence of title transfer satisfactory to the City, for the goods specified herein.

6. Vendor expressly warrants that all goods delivered hereunder are of merchantable quality and fit for the purpose for which the City has purchased the same. Vendor further warrants that any defects in the goods shall be properly repaired by Vendor for a period of 18 months from final delivery, including all parts and labor associated with said repairs.

7. City reserves the right to reject any defective goods, notwithstanding City's payment of the purchase price provided herein.

8. Vendor fully warrants that all services provided hereunder have been provided in a good and workmanlike manner. Vendor guarantees said services for a period of 18 months from the date of final performance. Vendor shall provide all labor and materials necessary to repair any defective workmanship reported to Vendor within said guarantee period.

9. To the extent that this agreement requires Vendor to provide any services of any kind, Vendor and all of Vendor's subcontractors shall maintain public liability insurance in a single combined limit for bodily injury and property damage in the amount of not less than \$1,000,000.00, satisfactory to the City Manager of City, naming the City as additional insured and providing coverage up through and including the final performance of any services provided hereunder. Vendor and all of Vendor's subcontractors shall maintain in full force and effect a policy of worker's compensation insurance for all of Vendor's employees in accordance with applicable state and federal law. Said insurance coverage shall include employer's liability with a single limit of \$100,000.00 per accident or occurrence. Vendor shall present City with a certificate for all of the foregoing insurance, at the time of executing this agreement and at such other times requested by the City.

10. In consideration of the payment of ten dollars as part of the above purchase price, Vendor shall indemnify, defend and hold the City harmless for itself, its employees, agents and assigns, from and against any and all losses, claims, damages, suits, actions, or demands, including attorneys fees and costs of litigation through all appellate proceedings, arising from the performance or non-performance of this agreement, whether caused in part by the City or not.

11. This Agreement shall be binding upon the parties, their successors, assigns, and legal representatives. Vendor shall not assign or otherwise transfer any of the rights or duties under this Agreement, without the express written consent of the City.

12. This document embodies the entire agreement of the parties. There are no promises, terms, conditions, or representations binding on either party hereto, other than those contained herein; and this document shall supersede all previous communications, representations, and/or agreements between the parties hereto, whether written or oral. This Agreement may be modified only in writing executed by all parties. This agreement shall be construed according to the laws of Florida, and venue for any action arising herefrom shall be in Pinellas County, Florida.

13. The prevailing party in any action to enforce or interpret this agreement shall be entitled to reasonable attorneys fees incurred through all appellate proceedings.

14. Vendor hereby acknowledges that the person executing this agreement on behalf of Vendor has the full authority to do so and to bind Vendor to the terms hereof.

15. Any notices provided hereunder shall be sent to the parties at the following addresses and shall be considered properly delivered when placed in the U.S. mail, postage prepaid, certified return receipt requested:

ORDINANCE NO. 2011-22

**AN ORDINANCE OF THE CITY OF ST. PETE BEACH,
FLORIDA AMENDING ARTICLE II OF CHAPTER 34 OF
THE CITY OF ST. PETE BEACH CITY CODE ENTITLED
"EMERGENCY MANAGEMENT;" AND PROVIDING AN
EFFECTIVE DATE.**

WHEREAS, the City Commission finds the amendments to Article II of Chapter 34 of the City Code, as more particularly set forth herein, in the public interest and necessary to protect the health, safety and welfare of the citizens of the City of St. Pete Beach, Florida.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF ST. PETE BEACH,
FLORIDA:

Section 1. Article II, Chapter 34; St. Pete Beach City Code related to Civil Emergencies; Article II, Emergency Management, is hereby amended in its entirety as follows:

Sec. 34-31. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Emergency means a condition which threatens or adversely affects the public health, safety or security and which threatens to be beyond the control of those public and private agencies normally responsible for the management of such a condition, resulting from an act or threatened act of war, riot, terrorism, mob or other act of violence; from a weather event such as lightning, flood, hurricane, cyclone, tornado or waterspout; from a disruption in the city's utility system; hazardous waste spill; or from any other cause.

Emergency interim successor means a person designated pursuant to this article for possible temporary succession to the powers and duties but not the office of an officer if such officer or a duly authorized deputy is unavailable to exercise the powers and discharge the duties of the office.

Normal average retail price means the price at retail for merchandise; goods or services at which similar merchandise, goods or services were being sold during the 90 days immediately preceding a declaration of public emergency.

Sec. 34-32. - Intent.

(a) It is the intent of this article to designate a city official to declare a local state of emergency to enable the timely and effective use of all available city resources to prepare for, respond to and recover from a natural or manmade disaster or emergency or the imminent threat thereof likely to affect the security, safety or health of the city and its residents, whether such events occur within or without the corporate limits of the city.

(b) Nothing in this article shall be intended to relieve city departments of their normally assigned duties, responsibilities and functions.

(c) Nothing in this article shall be construed as a delegation of authority to abridge or diminish the legislative or administrative powers of the city commission.

Sec. 34-33. - Legislative authority.

This article is enacted pursuant to the authority granted by F.S. § 252.38.

Sec. 34-34. - Applicability of article.

All officers, employees, contractors, vendors, boards, commissions, authorities and other agencies of the city are subject to this article.

Sec. 34-35. - Director of emergency management.

(a) The city manager shall perform the function of director of emergency management and shall implement, manage and report on all actions authorized and taken under this article.

(b) The city manager, when acting as the director of emergency management, shall have the power, duty and responsibility to:

- (1) Direct the creation, revision, and exercise of emergency response plans conforming to state and county emergency plans for the mitigation of, preparation for, response to and recovery from emergencies.
- (2) Direct the efforts of the emergency management coordinating committee in the preparation for, response to and recovery from emergency conditions.
- (3) Recommend a budget for the creation and maintenance of an emergency response capability as provided in this article.
- (4) Promulgate emergency regulations necessary to the protection of life and property, establishment of public order, and control of adverse conditions affecting public welfare resulting from an emergency.

Sec. 34-36. - Coordinator of emergency services.

(a) The city manager shall appoint a coordinator of emergency services whose duties shall include the ongoing planning for a coordination of those actions necessary to the creation

and maintenance of an effective emergency response capability to prepare for and manage emergency conditions.

- (b) The coordinator of emergency services shall have the responsibility and duty to:
 - (1) Supervise the development and maintenance of city emergency plans, including annual updates.
 - (2) Chair the emergency management coordinating committee.
 - (3) Plan for and develop an emergency operations control center to include equipping, staffing, and establishing operational procedures necessary for the management and control of emergency conditions.
 - (4) Develop and manage the city's emergency awareness public information program.

Sec. 34-37. - Emergency management coordinating committee.

(a) There shall be an emergency management coordinating committee composed of the department directors which shall be chaired by the coordinator of emergency services.

(b) The emergency management coordinating committee shall have the responsibility and duty to:

- (1) Function as the emergency management agency during a declared emergency.
- (2) Assist in the creation, revision and exercise of emergency plans.
- (3) Advise the director of emergency management of requirements for resources necessary to the creation, maintenance, and exercise of a capable, efficient emergency response capability.

Sec. 34-38. - Declaration of state of emergency.

(a) In the following order, the mayor, vice-mayor, commissioner, or city manager shall have the authority to declare a state of emergency by proclamation. Upon the absence or unavailability of the mayor, the vice-mayor may issue such a declaration, and upon the absence or unavailability of the mayor and the vice-mayor, a city commissioner or the city manager or, upon the absence or unavailability of the city manager, an acting city manager may issue such a declaration.

(b) Any declaration of a state of emergency and all emergency regulations activated under this article shall be confirmed by the city commission by resolution within five working days of such declaration or at the next regularly scheduled meeting of the city commission, whichever occurs first, unless the nature of the emergency renders a meeting of the city commission extremely impractical. Confirmation of the emergency declaration shall disclose the reasons for, anticipated impacts of, actions proposed and taken to manage the emergency and

other pertinent data relating to the declaration of emergency.

(c) The state of emergency shall continue until there is a finding by the official declaring the emergency that the emergency no longer exists or until a meeting of a quorum of the board of city commissioners can take place and terminate the state of emergency by proclamation.

(d) Upon the determination of an emergency, the mayor, vice-mayor or city manager shall have the power to issue and rescind executive orders, proclamations and rules. Such executive orders, proclamations and rules shall have the force and effect of law and may deal with the following matters:

- (1) Suspend or limit the sale, dispensing or transportation of alcoholic beverages, firearms, explosives and combustibles.
- (2) Establish curfews, including but not limited to the prohibition of or restrictions on pedestrian and vehicular movement, standing and parking, except for the provision of designated, essential services, such as fire, police, emergency medical services and hospital services, including the transportation of patients, utility emergency repairs and emergency calls by physicians.
- (3) Utilize all available resources of the city government as reasonably necessary to cope with the emergency, including emergency expenditures, not to exceed \$50,000.00.
- (4) Declare certain areas off limits.
- (5) Make provisions for availability and use of temporary emergency housing and emergency warehousing of materials.
- (6) Establish emergency operating centers and shelters, in addition to or in place of those provided for in the city's emergency plan.
- (7) Declare that during an emergency, it shall be unlawful and an offense against the city for any person to use the fresh water supplied by the city or the county, for any purpose other than cooking, drinking or bathing.
- (8) Declare that during an emergency, it shall be unlawful and an offense against the city for any person operating within the city to charge more than the normal average retail price for any merchandise, goods or services sold during the emergency. The average retail price, as used in this subsection is defined to be that price at which similar merchandise, goods, or services were being sold during the 90 days immediately preceding the emergency or a markup which is a larger percentage over wholesale cost than was being added to wholesale cost prior to the emergency.
- (9) Confiscate merchandise, equipment, vehicles or property needed to alleviate the emergency. Reimbursement shall be within 60 days and at customary

value charged for the items during 90 days previous to the emergency.

(10) Make provisions for rationing of fuel, ice and other essentials.

(11) Evacuation planning.

(e) A state of emergency, when declared as provided in this section, shall continue in effect from day to day until declared to be terminated.

(f) Upon the declaration of a state of emergency, the city manager shall as promptly as practicable, file the declaration in the office of the municipal clerk who shall deliver it to appropriate news media for publication and radio and television broadcast thereof. If practicable, such state of emergency declaration or emergency measure shall be published by other means such as by posting and loudspeakers.

Sec. 34-39. - Certification of emergency conditions.

A certification of emergency conditions to the city manager may be verbal, but each verbal certification shall be confirmed in writing within 24 hours following an emergency declaration.

Sec. 34-40. - Suspension of local building regulations.

The city manager may authorize the suspension of local building regulations during and following a declared state of emergency when the building official certifies that such action is necessary to the expeditious restoration of property damaged by the emergency event. Such suspension of building regulations may be applied on a case-by-case basis as required to remedy specific conditions and to facilitate the provision of emergency housing to disaster victims. The building official shall specify the provisions of the building code to be suspended and the reasons therefor when certifying the necessity of such suspension to the city manager.

Sec. 34-41. - Termination of state of emergency.

A state of emergency shall be terminated upon the certification of the officer or agency requesting the declaration of the state of emergency that the conditions leading to or causing the emergency conditions no longer exist and that the city's agencies and departments are able to manage the situation without extraordinary assistance. Notice of such termination shall be made to the public by the city manager by the same means as the notices of the declaration of the state of emergency.

Sec. 34-42. - Commission authority limitations.

Notice in this article shall not be construed to limit the authority of the board of city commissioners to declare or terminate a state of emergency and take any action by law when sitting in a regular or special session.

Sec. 34-43. - Penalties.

(a) Any person who refuses to comply with or who violates any section of this article or

the emergency measures which may be made effective pursuant to this article shall be punished according to law and, upon conviction for such offenses, shall be punished as provided in section 1-14. Each day of continued noncompliance or violation shall constitute a separate offense.

(b) In addition to subsection (a) of this section, any licensee of the city found guilty of violating any provision of this article or the emergency measures which may be made effective pursuant to this article may have his license suspended or revoked by the board of city commissioners.

(c) Nothing contained in this section shall prevent the city from taking such other lawful action in any court of competent jurisdiction as is necessary to prevent or remedy any refusal to comply with or violation of this article or the emergency measures which may be effective pursuant to this article. Such other lawful action shall include but shall not be limited to an equitable action for injunctive relief or any action at law for damages.

Sec. 34-44. - Conflicts.

(a) If this article conflicts with any other ordinance or this Code or other applicable law, the more restrictive shall apply.

(b) Any portion of this article found to be in conflict with the Pinellas County Emergency Management Plan shall not be enforceable.

Sec. 34-45. - Authority in evacuation zones.

(a) *Preemption.* The emergency management coordinating committee shall have the authority to delegate, to the chief of police, sole and exclusive authority to regulate the ingress and egress of persons and vehicles in those zones which are required to be evacuated in a declaration of a state of local emergency, and to designate the terms and conditions of reentry into such areas upon official declaration that the evacuated zones are safe and secure for reentry. In the exercise of such authority, the police chief shall consult with the emergency management coordinating committee, the executive group of the Pinellas County Emergency Operations Center and all affected local governments.

(b) *Prohibition.* The police chief is authorized to delegate to any local law enforcement agency the authorities granted in this section relative to their respective jurisdictions, upon his determination that such delegation of authority is necessary and proper.

(c) *Jurisdiction.* All territory within the legal boundaries of the city, including all incorporated and unincorporated areas, shall be embraced by this article.

Section 3. Should any section, sentence, clause, part or provision of this ordinance be held or declared invalid or unenforceable by a court of competent jurisdiction, the same shall not affect the validity of this ordinance as a whole, or any part thereof, other than the part held or declared to be invalid.

Section 4. Ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Section 5. This Ordinance shall take effect immediately upon second reading.

**St Pete Beach City Commission
Agenda Report**

Issue Considered: Resolution 2011-15 authorizing the City Manager to apply for Boating Infrastructure Grant funds administered through the Florida Fish and Wildlife Conservation Commission through the U.S Fish and Wildlife Service.

Date: August 9, 2011

Prepared By: Dan O'Connor, Administrative Services Supervisor

Through: Elaine Edmunds, Finance Director

Summary of Issue: This is a request to adopt Resolution 2011-15 authorizing the City Manager to apply for Boating Infrastructure Grant funds administered through the Florida Fish and Wildlife Conservation Commission through the U.S Fish and Wildlife Service. The grant funds if awarded would pay for 75% of the costs associated with the design and construction of transient boat slips and related amenities adjacent to the Community Center and Colonel Horan Park estimated to be \$293,000.

The grant application process mandates:

- A. The local Governing Body must authorize the City Manager to apply for and administer the grant funds on behalf of the City in the form of an adopted resolution.
- B. Funds available through this program may only be used for public transient boat slips and related amenities designed to last at least 20 years.

.

Requested Motion: "I move to adopt Resolution No. 2011-15, a resolution of the City of St. Pete Beach, Pinellas County, Florida, authorizing the City Manager to apply for Boating Infrastructure Grant funds administered through the Florida Fish and Wildlife Conservation Commission through the U.S Fish and Wildlife Service for the costs associated with the design and construction of transient boat docks and related amenities adjacent to the St. Pete Beach Community Center and Colonel Horan Park."

RESOLUTION 2011-15

A RESOLUTION OF THE CITY OF ST. PETE BEACH, PINELLAS COUNTY, FLORIDA AUTHORIZING THE CITY MANAGER TO APPLY FOR BOATING INFRASTRUCTURE GRANT FUNDS ADMINISTERED BY THE FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION THROUGH THE U.S. FISH AND WILDLIFE SERVICE FOR THE COSTS ASSOCIATED WITH THE DESIGN AND CONSTRUCTION OF TRANSIENT BOAT DOCKS AND RELATED AMENITIES ADJACENT TO THE ST. PETE BEACH COMMUNITY CENTER AND COLONEL HORAN PARK.

The Board of Commission of the City of St. Pete Beach, Pinellas County, Florida at a regular meeting held on Tuesday, August 9, 2011 resolves as follows:

WHEREAS, the recent real estate trend for residential waterfront development has severely impacted the availability of public transient boat slips in Pinellas County, and;

WHEREAS, the City of St. Pete Beach recognizes this deficiency and is interested in pursuing the design and construction of public docks including tie-up facilities for temporary use for transient non trailerable recreational vessels, and;

WHEREAS, the City of St. Pete Beach intends to build these tie-up facilities on navigable waters, available to the public and design the new construction and renovations to last at least 20 years, and;

WHEREAS, the City of St. Pete Beach desires to apply for a Florida Boating Infrastructure Grant to assist with funding a project that offers value-added amenities for the regional boating community, and provides an important stimulus for revitalization for the local community.

NOW, THEREFORE, the City Commission of the City of St. Pete Beach, Pinellas County, Florida, at its regular meeting duly called provides as follows:

BE IT RESOLVED:

That the City Commission of the City of St. Pete Beach, Pinellas County, Florida, authorizes the City Manager to apply for a Boating Infrastructure Grant administered by the Florida Fish and Wildlife Conservation Commission through the U.S. Fish and Wildlife Service on behalf of the City of St. Pete Beach.

INTRODUCED AND PASSED by the City Commission of the City of St. Pete Beach, Pinellas County, Florida, on this 9th day of August 2011.

Steve McFarlin, Mayor

I, Rebecca Haynes, City Clerk of the City of St. Pete beach, Florida, do hereby certify that the forgoing Resolution was duly adopted in accordance with the provisions of applicable law this _____ day of _____, _____.
